**MOTION FOR EXTENSION OF PRETRIAL ORDER**

The Defendant, through counsel, hereby requests that the Court extend by ten (10) days the deadline for filing the Defendant's Pre-Trial order and the consolidated Pre-Trial order in this case. In support of this request, counsel for the Defendant states as follows:

1.

Good cause exists by which to grant the motion for extension to file pretrial orders.

2.

Due to financial constraints of the Defendant, Counsel for the Defendant has recently received all depositions associated to this case and needs more time to review them in preparation of the Pre-Trial order. Counsel for the Defendant requests this extension so the Pre-Trial order is accurate and represents all pertinent information needed for the defense of the Defendant

3.

At this time, there are no motions that need to be filed.

4.

Counsel for the plaintiff, MARIO WILLIAMS, consents to the Court's granting of counsel for the Defendant's motion for the extension of pretrial order.

5.

WHEREFORE, Defendant prays that his **Motion for Extension of Pretrial Order** be granted and any period of delay resulting from a continuance granted by the Judge at the request of counsel for the Defendant and that the granting of such continuance will not in any way impact the ends of justice served by taking such action outweighing the best interest of the public and the Defendant in a speedy trial.

This 8th day of September 2015.
